• Please note that market data services typically incur monthly subscription costs.  
 • Please confer with your GSP should you have any specific questions relating to these and other services. Assent's operating policy calls for such expenses to be passed through to the individual trader accounts on a monthly basis.  
 • Certain chargeback expenses (ARCA, AMEX, NASDAQ, & NYSE non Open Book) vary depending upon whether or not the account is classified as a "professional" versus a "non - professional".

<sup>1</sup> Select NYSE and AMEX orders may incur a specialist fee which will be passed through to the trader at \$0.009/share.  
<sup>2</sup> AMEX orders cancelled from Susquehanna's book may incur a \$0.0016/share cancel fee.  
<sup>3</sup> NYSE Open Book expenses do not currently vary by classification category -- \$65/month pre-tax, per trader ID.  
<sup>4</sup> ARCA|EX Book Listed will incur in \$15/month (professional) or \$5/month (non-professional) per trader ID.  
<sup>5</sup> ARCA|EX Book OTC will incur in \$15/month (professional) or \$5/month (non-professional) per trader ID.
